

## **Your Contributions Matter**

By: Joshua B. Perry – MSU MSW Intern

SafeCenter is an instrumental organization to the survivors of domestic and sexual violence in Shiawassee and Clinton counties. The women, children, and even men whose lives are affected by violence could greatly benefit from your help in a variety of ways. Please consider becoming a financial contributor to this vital community service. Your contributions help to provide emergency shelter, transitional housing, basic needs, and counseling and advocacy services to survivors. In addition to your monetary investment, SafeCenter also accepts your gifts of time. Volunteering your time can be invaluable in that it provides care and comfort which are integral to the empowerment of these survivors.
